COMBINED DECLARATION UNDER 37 C.F.R. §§ 1.131 and 1.132

1. I am an inventor of the inventions described and claimed in the above-referenced patent application.
2. I have read the Office Action dated June 6, 2005.
3. At least as much of the subject matter disclosed by Poser et al. was reduced to practice by me and my co-inventor, Dosuk D. Lee, before July 31, 1998, as is evidenced by PCT/US97/18528, which was filed on October 16, 1997.
4. Christian Rey, the third named co-inventor of PCT/US97/18528, did not

contribute to the subject matter that is commonly disclosed by PCT/US97/18528 and the present application.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
